SEAL THE DEAL AND EXPERIENCE
U.S. QUALITY WITH OUR GASKET SOLUTIONS!**

Semperit is Europe's leading specialist manufacturer of EPDM gaskets for construction elements and industrial applications. We offer more than just a product. We assist in material selection, design, and provide support throughout the entire production process, from prototyping to final series production.

With a tradition dating back to 1824, Semperit has always been a trusted global partner for high quality window and facade gasket solutions. Our position as a market leader stems from us consistently delivering quality, reliability and customer satisfaction.
